

Supervisor of the FVSD Driving School – Floyd Hann

We are pleased to announce the appointment of Floyd Hann as the Supervisor of the Fort Vermilion School Division Driving School effective September 1, 2021. The Fort Vermilion School Division is excited to expand the FVSD Driving School offering MELT Class 1, MELT Class 2 and Class 5 driver's license training, S & Q Endorsement as well as First Aid/CPR training. Floyd joined FVSD in 2008 as an administrator and is currently completing his certification.

“This is a very exciting adventure for me! With 36 years just about complete as a Teacher/Administrator, this will likely be my last post on my journey as an educator. The opportunity to train our own bus drivers, and provide driver and First Aid/CPR training to the whole Division and surrounding communities will be very rewarding. I am looking forward to this wonderful opportunity.”
