

Public Engagement Coordinator – Chandra Tincombe

We are pleased to announce the appointment of Chandra Tincombe as Public Engagement Coordinator of the Fort Vermilion School Division effective September 1, 2021. Chandra grew up in the High Level/Rocky Lane area before leaving for post-secondary education in Graphic Design and Interactive Digital Design. Chanda returned to Northern Alberta and joined FVSD in 2017 as Secretary at Florence MacDougall Community School.

“I am excited for my new role as Public Engagement Coordinator and am looking forward to new challenges and opportunities ahead! FVSD is a great school division and I feel privileged to be a part of it, both as a former student and now as an employee in a position to promote and share all the wonderful things that happen with education in our northern communities.”
