Principal's Message

Welcome to our Spring Newsletter. After spring break we will only have 12 weeks of school left and there is so much going on during this time of year, so please take note of some the highlights for the last quad.

Spring Break - February and March always seem to be so long, and so as spring break is here, I encourage everyone to make the most of this time away to rejuvenate and return refreshed for the remainder of the school year.

High School Timetabling - Gr 9-11 students will be choosing courses for next year April 11-15. A grade 9 Parent High School Orientation session will be held April 29 at LCPS. The course selection on April 11-15 is just the first step in the timetabling process so that we have an idea of numbers for class sizes, Students and parents can make their final timetable in the beginning of June.

Report Cards - April 26 Quad 3 ends on April 19 and report cards will go home on April 26. Parents and students should check powerschool for any incomplete or missing assessments. More importantly, if there is a unit or specific topic that a student struggles with, be sure to get help before the end of the quad.

LCPS is grateful for the support and encouragement from our parents and community. There are so many opportunities that LCPS students enjoy and that is in large part thanks to the support of our parents and community and placing your trust in our school to be a part of their education. Thank you.

Mr. Gregg McNeil - Principal
