Principal's Message

May is a busy month at LCPS. It is that time of year when we focus on supporting students to finish well, and develop plans for the upcoming school year.

Report cards for Quad 3 have been sent home and PTI's are May 2. It is important at this time of year to have conversations with your son or daughter around their learning, and goals for next year. Grades are representative of the level of mastery in a specific subject. Please reach out to your son or daughter's teacher. Parent Teacher Interviews are May 2 from 5:00 - 8:00.

Plans for next school year are ongoing. We are excited for the opportunities the Collegiate will give our students as well as the new school year calendar. As a result, our timetable will look a little different next year, particularly for High School students. We will host a parent orientation on May 2 at 6:00. Students will select courses starting May 6. Timetables will be sent home with the June report cards.

The final two months will be busy and go by fast. As always, call or stop in anytime. The coffee is always on.
