Administrators' Admonitions

As we embrace the spirit of spring and reflect on the growth and successes of our school community, I wish to express my gratitude for each one of you. I want to extend a heartfelt thank you to our dedicated parent volunteers who generously give their time and energy to support various school activities. From supervising field trips that enrich our students' learning experiences to ensuring that hot lunches run smoothly, your commitment and enthusiasm are truly commendable.

Additionally, I would like to express appreciation for your participation in our recent chocolate sales fundraiser. Your efforts not only raise funds for important school initiatives but also foster a sense of community and teamwork among students, parents, and staff.

Together, we have built a supportive and vibrant school community where every child can thrive academically, socially, and emotionally. Your ongoing support and involvement make a significant difference, and I am grateful for the positive impact you have on our school. Thank you for your continued support in order to make Ridgeview a fun place to be.
