

FLORENCE MACDOUGALL COMMUNITY SCHOOL

2024-2025 SCHOOL ASSURANCE PLAN

Principal: Heather Kierstead

Trustee: Marc Beland and Shane Lloyd

Our Children, Our Students, Our Future: Moving the Dial on Every Child

Priority	Essential Principle Focus for Improvement Highlight one/two Essentials for improvement for each Priority	School Goal Reframe the Division Goal into a School Goal that highlight school focus	Results <i>(current reality)</i>	Target Data <i>(desired reality)</i>	Implementation Plan Consider research and best-practice in the short and long term	Short Report <i>(completed as data becomes available)</i>
Connectivity FVSD will foster connectivity and well-being amongst community, students, parents, and staff	Parents as active stakeholders in the school community.	Parents and community members will be engaged in school events to build the foundation for contribution as active stakeholders.		<ul style="list-style-type: none"> - To have four consistent community participants at School Council meetings - To have multiple volunteers for fundraising and school events - To continue growing parent/community participation in extracurricular activities - Create opportunities for parents to share multiple viewpoints regarding educational priorities. 	<ul style="list-style-type: none"> - Communicate with parents about parent council meetings when they are present during school events to encourage participation. - Parent information nights/learning sessions (e.g. Education Cafe) - Consistent communication with families about upcoming events through newsletters and weekly Cubs' Chronicle - Parents will be invited into classrooms, a minimum of once a year to view authentic student learning. Intent is not to perform for parents, but to educate parents on how and what students are learning. - Welcome parents' package that includes parent participation 	

					<p>opportunities during the year.</p>	
<p>Literacy All students will improve literacy skills</p>	<p>Explicit focus on Oral Language</p>	<p>All Tiers of instruction will focus on explicit word recognition skills and building language comprehension to increase reading comprehension skills in students, using research-based methods.</p>		<p>-Grade 2 & 3 students will demonstrate one year's growth from Sept. to June on TOSREC. -Grade 1 students will show half a year's growth from January to June on the TOSREC. - By the end of Kindergarten, 55% of students tested will have average or above average phonological awareness scores according to the CTOPP.</p>	<p>- Word of the Week - Staff PD and collaborative sessions with SLP & Literacy Coach to build explicit strategies for expressive/receptive language, Simple View of Reading model, and theme-based teaching. - Use of collaborative time to build oral language and comprehension programming. - Continue with Best Practices in Reading and Empower interventions - Continue with the implementation of Story Champs in Kindergarten with the addition of benchmarks. -Create a committee responsible for compiling decodable texts that follow</p>	

					<p>school scope and sequence.</p>	
<p>Numeracy All students will improve numeracy skills</p>	<p>Promote reasoning and problem solving & Facilitate mathematical discourse</p>	<p>All Tiers of instruction will allow for multiple entry points to build students' foundational knowledge and vocabulary so that all students demonstrate increased confidence and competence with numeracy concepts.</p>		<ul style="list-style-type: none"> - By the end of Kindergarten, 75% of students will be able to name numbers 1-10 - By the end of Grade 1, 75% of students will be able to name and solve problems with numbers 1-20 - By the end of Grade 2, 80% of our students will be able to name and solve problems with numbers 1-100 - By the end of Grade 3, 80% of our students will be able to name and solve problems with numbers 1-1000 	<ul style="list-style-type: none"> - Monthly Math Mystery (monthly math challenge problem) - Use staff collaboration time to build an understanding of best practices for students. - Staff PD sessions with Numeracy Coach that focus on language and productive struggle using generative dialogue. -Continue with Numbers 1 to 100 numeracy interventions - Through Content Coaching reinforce consistent numeracy language/vocabulary throughout the school. 	

<p>Career Paths All students will <i>Explore, Develop, Grow, and Experience</i> chosen career paths</p>	<p>Students explore their strengths, skills, and aspirations.</p>	<p>Through thematic play-based learning, students will create connections between personal interests and career opportunities.</p>	<p>Students demonstrate engagement in play-based learning that is career focused.</p> <p>Students will be able to identify possible career paths that match their skills and interests.</p>	<p>-During DPA, teachers will introduce thematic play that highlights career paths that are of interest to each grade level -Teachers will use common tier 3 vocabulary related to career paths. -Whole school collaboration to determine focus careers and consistent vocabulary</p>
