*Our Children, Our Students, Our Future: Moving the Dial on Every Child*

Priority	Essential Principle Focus for Improvement <i>Highlight one/two Essentials for improvement for each Priority</i>	School Goal <i>Reframe the Division Goal into a School Goal that highlight school focus</i>	Results <i>(current reality)</i>	Target Data <i>(desired reality)</i>	Implementation Plan <i>Consider research and best-practice in the short and long term</i>	Short Report <i>(completed as data becomes available)</i>	
Connectivity  FVSD will foster connectivity and well-being amongst community, students, parents, and Staff	Appropriate relationships will be established with each student where they feel accepted, secure, and safe to take risks in academic and social learning.	Ridgeview Central School will foster a safe and secure environment where students feel comfortable taking risks in their learning and interacting with their peers and staff.	Gr. 4 one student feels unconnected  Gr. 5 ALL grade 5 students feel connected at school 4 students do not feel connected to an adult at school.  Gr. 6 1 student feels unconnected to peers and 1 student feels unconnected to adults at school.	All students feel safe and comfortable with the adults and fellow students in the school.	We will continue to analyze our connectivity data and address student concerns at a classroom or admin level, or through our connection team. Continue with Collaborative Response Model meeting and actionable items.		
Literacy  All students will improve literacy skills	Students will enhance their reading skills by prioritizing reading comprehension strategies.	Students will demonstrate growth in reading comprehension.	(Fall data) TOSREC (reading comprehension) is a current focus as: 63% of Gr. 4 below avg. 54% of Gr. 5 below avg 32% of Gr. 6 below avg.	Our desired reality would be to have our students grow by 15 points in our TOSREC results from Fall to Spring.	Teaching teams will analyze and choose different strategies to improve student reading comprehension. Strategies will be monitored to assess their effectiveness. Students will also be supported through literacy interventions.		

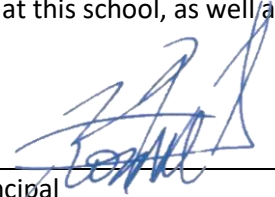

<p><b>Numeracy</b></p> <p>All students will improve numeracy skills</p>	<p>Students will build procedural fluency on a foundation of conceptual understanding.</p>	<p>Students will demonstrate growth in their ability to manipulate numbers.</p>	<p>Current reality: Gr. 4 59% below avg. Gr. 5 58% below avg. Gr.6 55% below avg.</p>	<p>The desired reality is to see students build fluency in number concepts. As we explore different assessments to measure increase we will define our target data more specifically.</p>	<p>Teaching teams will analyze and choose different strategies to improve procedural fluency. Strategies will be monitored to assess their effectiveness. Students will also be supported through numeracy interventions.</p>		
<p><b>Career Paths</b></p> <p>All students will <i>Explore, Develop, Grow, and Experience</i> chosen career paths</p>	<p>Students will be given opportunities to explore various careers with multiple entry and exit points to support student learning.</p>	<p>Students will explore occupations through purposeful play and interactive technology.</p>		<p>All students will have had meaningful exploration in a variety of career paths.</p>	<p>The Collegiate Administrator of Career Exploration will be consulted as to how to maximize students' exposure to a variety of careers. Implementation of in-school career boards with local trades / careers that students can be exposed to our northern area.</p>
