Principal's Message

It is hard to believe that September has almost come and gone. The school has been a buzz as students transition into new routines and schedules. Fall is a time for change, and it brings with it a renewed focus on our goals and our commitment to the four pillars of La Crete Public School. As we step into October, I want to take a moment to reflect on our school community and the exciting month ahead.

Fall extracurricular sports are in full swing, with plenty of cross country and volleyball action this month. Jostens will be here early October to help find our graduates their perfect grad item, and picture day will be upon us soon! Senior high progress reports will be sent home towards the end of the month. Our Jr. ACTS program is beginning for our interested grade nine students, and we look forward to seeing what acts of service they come up with for our school community.

This month we will bid farewell to Mr. Gregg McNeil. We thank him for all his efforts and wish him and his family well on their next journey. I will become acting principal in his place and look forward to continuing to build on the pillars of Legacy, Community, Purpose, and Standards for our school.
