## *Acting Principal Message*

Dear Students and Parents,

Report cards have just been sent home, providing an overview of our students' progress and achievements. I encourage all parents and guardians to review these reports with your children, celebrating their successes and identifying areas for improvement.

We have two sessions of parent-teacher interviews in March. These meetings are invaluable opportunities to discuss your child's academic performance, set goals, and collaborate on strategies to support their learning journey.

Our basketball season at La Crete Public School is coming to an exciting close. Good luck to our Lancers as they gear up to compete in zones. Congratulations to all our players, coaches, and supporters for their dedication and hard work. Whether you were on the court or cheering from the sidelines, your commitment and sportsmanship have made us all proud. Let's finish the season strong!

As the days grow longer and the weather warms up, let's embrace the spirit of spring. This is a time for renewal and growth, both academically and personally. I encourage everyone to take advantage of the fresh start that spring offers, setting new goals and striving for excellence in all endeavors.

Thank you for your continued support and partnership. Together, we can ensure that our students thrive and succeed.

Warm regards,

Vanessa Beringer  
Acting Principal
